Production and Assembly Factory - Üretim ve Montaj Fabrikası

ORTİMOBİL is a company that focuses on electrical energy and produces vehicles that adapt to the new era. ORTIMOBİL manufactures electric golf cart models, 4-wheel electric utility vehicles in L7 standards, and ALEXA branded passenger cars. It carries out the production in its factory and showroom located in Mersin-Tarsus 2nd Organized Industrial Zone, with a total area of 12,000 m².

ORTİMOBİL was established with 100% domestic fund. Except the carrier equipment, high-quality batteries, wheels and shock absorbers, it is completely local in the production of parts such as chassis, bodywork and composite, ABS, aluminum body, software technology and assembly services.

The produced vehicles are subjected to tests to ensure their quality and reliability.

The company, which has the capacity to produce 1000 electric vehicles per year in order to use in hotels, factories, universities, hospitals, theme parks, holiday villages, airports, etc. with its environmentally friendly technology and it has taken a place in city life.

ORTİMOBİL is on the road as one of Turkey's leading companies in electric vehicle production!

Ortımobıl Showroom - Satış ve Showroom

ORTİMOBİL, elektrik enerjisini merkeze alan ve çağı yakalayan taşıtlar üreten bir şirkettir. Elektrik gücü ile çalışan “golf arabası modelleri” ve 4 tekerlekli L7 standartlarında “elektrikli hizmet araçları” ile “ALEXA markalı binek araçlar” üreten Ortımobıl, Mersin- Tarsus 2. Organize Sanayi Bölgesinde bulunan üretim ve showroom fabrikalarında, toplam 12bin metrekarelik alanda üretim yapmaktadır.

Yüzde yüz yerli sermaye ile kurulan ORTİMOBİL, yüksek kalite batarya; tekerlek, amortisör gibi taşıyıcı ekipmanların dışında kalan; şasi, karoser ve kompozit, ABS, alüminyum gövde gibi parçaların üretiminde ve yazılım teknolojisi ile montaj hizmetlerinde yerlidir.

Üretilen araçlar, testlere tabi tutularak kalitesi ve güvenilirliğinden emin olunur.

Yılda 1000 adet elektrikli taşıt üretebilme kapasitesine sahip olan şirket, çevre dostu teknolojisi ile oteller, fabrikalar, üniversiteler, hastaneler, tema parkları, tatil köyleri, havaalanları vb. ve şehir hayatının içerisinde kendine yer edinmiştir.

ORTİMOBİL, Türkiye'nin elektrikli taşıt yolculuğunda, öncü kuruluşlardan biri olarak yollarda!

Ortimobil reserves the right to make changes to the parts and accessories purchased // Ortimobil, satınaldığı parça ve aksesuarlarda, değişiklik yapma hakkına sahiptir.
